February 2012

January just got by me way too fast! Three C's was actually pretty relaxing. Usually I am running around building things and going out on last minute shopping trips but this time it was sit back, relax, drink and enjoys friends! I have to say that is the way to go!

Thanks to all those who came to the Ball. We sure did have a great time and were glad to see everyone including all our visiting clubs. Patty Pearce did a spectacular job on all the flowers. Every arrangement gave you that California Beach feel and was PERFECT! Thanks Patty. Can't stop there without thanking PC Deb Noon for all her hard work and extras she did. She made sure it all went smoothly and Wende AND I can't thank her enough. Captain Bill Foy – I don't know HOW you did it but you got ALL that booze for the hospitality room in that little car! Were you one of those teenagers back in the day that tried to squeeze as many people as possible into a VW Beetle Bug??? As usual PC Jack Clark does an excellent job emceeding and it was an honor to have you accept doing this task. Look for pictures on the website soon. Andre was busy capturing some very special moments and I am sure that he got great shots for all to enjoy. Well Wende and I are still attending balls every weekend and still enjoying them. February is just as busy and March it starts to slow some so maybe we will get to the club a little more before the openings start! I have a feeling this year will be over with before I know it.

Don't miss out on the Atlantic City bus trip this year! We haven't missed one of these since we joined the yacht club. Even if you aren't a gambler there is plenty to do. Wende always scoops out the outlets and the shops in the casino. Watch for notices to start coming out for our land cruise. We are almost set up and I think we will have a blast at the yacht clubs we will visit.

Again – I wish to thank everyone who played a part in helping make the ball a success and such great memories for Wende and me. Our family was impressed with how caring and friendly everyone was and they still talk about it. We will truly treasure that night forever.

Commodore Ken

February 2012

Congratulations to Commodore Ken and First Lady Wende for a wonderful Ball. A good time was had by all. Thanks to everyone who helped with the hospitality room. We can always rely on our Membership.

February is going to be an eventful month. Mark you calendars for the Super Bowl Party on February 5th beginning @ 1 p.m. Watch for more information. House Chair, P/C Deb Noon posts particulars on a weekly basis. Hopefully our Ravens will be participating.

Captain Hank Waida has put together a Live Team Trivia Night on February 25th @ 8 p.m. This is a new event. Come out and show your Trivia expertise. This is then followed by the Daytona 500 Party on Sunday, February 26th with the time to be determined.

All of our events have sign up sheets posted on the bulletin board. This may be a little early, but watch for the Atlantic City Bus Trip. This year it is on March 3rd. It is always well attended and could be a sell out. Sign up early or give P/C Jack Fitzgerald a call at 410-671-6870 if you need additional information,

If you are interested in joining the Burgee Committee or have any ideas to share, please email or call Captain Gregg or Lesley Taylor at editorburgee@gmail.com or call 410-459-3012.

February 2012

Congratulations to Commodore Ken & First Lady Wende for a fantastic evening and memorable 2012 Ball. If you were unable to attend unfortunately you missed a fun filled night.

In regards to our Princess Katie, Bush River Yacht Club is very fortunate to have you represent our Club. You were absolutely stunning and we all look forward to having you join us on fun-filled Balls and Openings during this year.

For those of you who attended the 3 C's Ball in January we did have a wonderful time and I am curious if the Black Duck was lurking around to share some of those off the wall good times we all enjoyed!!! (As I am sure something happened that was Black Duck worthy!!!) Gambling, Shopping, Eating," WINNING"... don't forget the Atlantic City Bus Trip March 3rd sign-up sheets posted at the Club and for additional details see Jack Fitzgerald.

"Super Bowl Party 1:00pm February 5th with any luck we will be watching the Raven's"

Piers End will be holding a Daytona 500 Party be sure to get your motor running Feb 26th

February is here and slip assignment is that much closer, now is the time to put in a slip change request form if you are looking to switch slips and just possibly get that full length finger pier you always wanted. If you have never attended slip assignment day or just haven't been in a while it sure is an entertaining day "organized" KAOS!!! Mike & Juanita Higinbothom have it all under control The Board of Governors is holding a membership drive until March 31st. If you as a member sign-up a regular member you will receive a \$100 coupon book, that can be utilized at piers end for food and beverages (details have been posted in the January Burgee). If you have any questions please reach out to any Officer or Board Member of the Club. I am looking forward to all of the fun filled events planned during 2012 and seeing each of you, and it goes without saying let's hope for an early Spring!!!!

R/C Mike Smith

February 2012

We have made it through the Holidays, 3 Cs and the Commodore's Ball was a fantastic event. Congratulations to our Commodore Ken and First Lady Wende. Our Princess Katie is lovely, well spoken and going to represent our Club well.

Mark your calendars for the Annual Land Cruise on March 31st beginning @ 10 a.m. We will visit Bodkin Yacht Club, Crescent Yacht Club and hopefully our final stop will be Baltimore Yacht Club. There is a sign up sheet on the bulletin board outside the kitchen. If you miss this event you will miss a day of food, libation and a chance to fraternize with fellow boaters.

I am working on a slate of cruises that should appeal to all. I am open to suggestions from members, as far as, popular locations, landmarks, destinations, etc. I am looking to make this a fun year. Watch for future announcements. More details to follow.

See you around the Club –

F/C Henry

February 2012

Hello,

It was a wonderful sight as I walked into the ballroom at the Ramada hotel. The decorations were fantastic and the music was even better! Thank you to everyone who put their time and talents into making Bush River's 73rd Annual Commodore's ball so amazing. I enjoyed seeing everyone there and it certainly was a night to remember. While I really didn't know many of the princesses, I had a great time getting to know them, and hopefully as the year goes on, I will create life long friendship with each and every one of those girls.

Commodore Ken and First Lady Wende, I know I say this every month, but I really can't tell you how proud I am to be your princess. You treat me so well and I absolutely love being escorted into balls with the both of you. You did such a wonderful job decorating and planning for the ball and even though there was some bumps along the road with the invitations, you still pulled through and put on a fantastic night for everyone. I can't wait to spend every Saturday with you at the upcoming balls these next few weeks!

The month of February doesn't present many events at Bush River other than the Super Bowl Party on the 6th, and it looks like the Ravens are going all the way this year. It is bound to be one heck of a party and I hope to see everyone there. For Valentine's Day and every other, remember:

"A life without love is like a year without a summer."

And I definitely couldn't imagine a year without a summer!

Princess Katie

February 2012

I cannot believe Valentines Day is almost here and Spring is just around the corner. January was a wonderful month with the ball, make sure you take a look at the photo album everyone looks amazing.

A huge Thank You to Captain Rob Hamilton for doing such a great job again this as our very own BRYC Bingo Caller. Beacons Bingo Bash was a terrific way to get our of the window doldrums and get together with friends. Dinner was outstanding, thank you so much to P/C Deb for putting this together. (Since this article went to press before Bingo Bash, I am using my psychic powers to predict how awesome it was).

I am looking forward to March, which brings the St. Patrick's Day Party and Beacons Silent Auction on March 10. Please bring your donations to the LAX room or see Cheri Whiting, Dona Schwandtner or any Beacons officer. All the proceeds of the Silent Auction go to the good of the club so please be generous in your donations.

Please join us for our next meeting on February 17, there will be a special raffle for all those who have paid their dues by our February meeting. See Karen Corun or any officer if you have questions about the Beacons or need more information.

Happy Valentines Day and I will see you around the club,

Kim

February 2012

January is usually a quiet month, I have also been laying low because it is Duck Hunting Season and I really want to be around for all the fun activities in the months to come.

I did make it to OC to spy on the BRYC members at the three C's ball and after checking out the Hospitality Suite all I can say it what happens in OC stays in OC.

I feel bad because I am not the most popular bird at BRYC; everyone keeps talking about the RAVENS.

I know we have one P/C that keeps praying for snow —————
I guess we all know it is P/C Jack F.

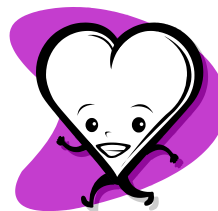

The Commodore got a call during the prayer at the Ball, I think he thought it was God calling but it was just a P/C we all know. Don't you just love cell phones ??

Where did P/C Bob R get those dance moves, I thought I was watching dancing with the stars.

Well it seems P/C Don has survived another year watching the Ravens, many people at the club were very concerned and brought medical supplies just in case he didn't make it. I was wondering where all the gray hair came from.

You can ask a number of our members about the 3Cs ball, but just don't ask Jim Cowie because he won't understand the question.

.SLIP ASSIGNMENT NEWS

Mike Higinbothom - Slip Assignment Chairman

Slip Assignment Day is quickly approaching. All current billed slip holders should be sure to get their check to me by the March 4th cut-off-date or your slip will be made available for re-assignment. **Just a reminder, payment must be in my hands by Sunday, March 4th. A postmark does not constitute receipt. In fairness to all the members who pay on time and in accordance with Slip Assignment Rules, this deadline will be strictly enforced without exception.** Bills were sent out January 17th. If you had or got a permanent slip on Slip Assignment Day last year and have not received a bill, call me (410) 836-1742 or e-mail: higgyslady@zoominternet.net.

Remember to fill out a slip assignment request form (and submit prior to Slip Assignment Day) if you are a new member, received a temporary slip after last year's Slip Assignment Day, want to change slips, want to change or need a dinghy storage slot or a trailer/boat parking site, or if you need a 2nd slip. You can obtain a request form from the bulletin board (outside the kitchen) or electronically on the BRYC website. Put the completed form in the envelope provided on the bulletin board or you can e-mail me your request form. Remember, your boat MUST fit in the slip you select. This includes bow pulpit, swim platform and allowances for free space between your boat and the pier. Also remember that fees for a new slip or an upgrade to a bigger slip are payable on Slip Assignment Day, so be sure to bring your checkbook.

At this time, it is too early to tell just how many slips we may have available. As we get closer to the cut-off date, I will have a better handle on it. If you cannot be present on Slip Assignment Day, you need to appoint a proxy to act on your behalf. Make sure I receive a written copy or email of the proxy prior to Slip Assignment Day.

Just a reminder, make sure your insurance is up to date prior to Slip Assignment Day. The rules for slip assignment are included in this Burgee. The rules for dinghy rack assignment and trailer parking are basically the same as for slips and are not included to conserve space.

I look forward to seeing everyone on March 25th.

Capt. Mike Higinbothom

SLIP ASSIGNMENT RULES

The following rules will be adhered to for Slip Assignments

1. Invoices for slip rental will be mailed to all previous slip assignees prior to January 30th.
2. Receipt for slip rental will be returned if stamped, self-addressed envelope is enclosed with payment.
3. All slip fees must be paid prior to the slip cut-off date as posted in the club calendar. Any additional fees (dinghy, trailer, extra electric, second slips) shall be paid **on** Slip Assignment Day. All new slip holders shall pay their fees on Slip assignment Day. Failure to pay for any of your slip fees at this time will result in your slip(s) becoming available for reassignment **immediately**.
4. Current members wishing to upgrade their membership status to REGULAR so that they may acquire a slip **must** do so by the February 15th dues cut-off date. No membership upgrades will be permitted from February 15th through slip assignment day.
5. Failure of not receiving a bill for slip rental does not constitute grounds for voiding slip cut-off date.
6. All requests for slips shall be in writing, membership application does not constitute a request for a slip.
7. All slip rentals not renewed by the cut-off date will be available for reassignment.
8. All slips available for reassignment will be posted after slip cut-off date on fleet information board (in bar).
9. A member must be in good standing on slip cut-off date to retain slip.
10. The failure to receive a bill for membership dues does not relieve the member of the responsibility of maintaining his membership in good standing.
11. **Slips will only be assigned on slip assignment day.** Bids for a particular slip may be in writing or in person during the hours of 1400-1600 and assignment thereafter. After this assignment, future assignments will be on a temporary basis and only for the current boating season.
12. Requests for reassignment of a slip will be made in writing prior to slip assignment day, or in person on slip assignment day, no second party requests will be honored unless so requested in writing.

SLIP ASSIGNMENT RULES (Continued)

13. Slips will be assigned on slip assignment day in order of membership seniority. Seniority is defined by contiguous membership, and only Regular, Distinguished Life, Life, or Senior members accrue slip seniority. (See Constitution Article VII - Membership - Sec. 11)
(This rule does not apply to any permanent slips assigned prior to April 3, 1992.)
14. Slips, which become vacant as the result of a new assignment, will be reassigned on slip assignment day. (It is suggested that members desiring a change in slip assignment be present on slip assignment day to request reassignment should a desired slip become vacant.)
15. A request for a 2nd slip, in water or trailer slip must be in writing to the Slip Assignment Chairman prior to slip assignment day.
16. The decision to assign a slip to members requesting the same slip and with the same seniority will be decided by a disinterested 3rd party drawing the name from a hat.
17. Slip must be vacated within one week of sale of boat to a non-member. Slip assignee is responsible for the vacating of slip by new owner.
18. Once a slip has been assigned on slip assignment day, no one may claim slip for any reason.
19. Slip assignment chairman or Rear Commodore may temporarily assign vacant slips.
20. Voluntary exchange of slips between two members in good standing will be permitted on approval of the slip assignment chairman for one season only, then both slips will revert back to the original assignee.
21. A member, who is delinquent of dues, will vacate slip within twenty-four (24) hours.
22. No half-year slip rental will be accepted unless assignment is after July 30th.

Continued on Page 16

SLIP ASSIGNMENT RULES (Continued)

16. Assignments of dinghy storage will be by seniority, with previous assignees maintaining their dinghy slip and in accordance to the Dinghy Rack Assignment Rules, which are consistent with the procedures followed for regular slip assignment. (A dinghy slip is not considered a second slip.)
24. Each slip holder shall provide Bush River Yacht Club annually, a Certificate of Insurance, showing bodily injury and property damage liability insurance in the amount of \$300,000 per occurrence. This Certificate is to be returned with each years slip fees and/or no later than slip assignment day. Those not providing a Certificate of Insurance at slip assignment day will be required to comply prior to using slip. Bush River Yacht Club shall be named as Holder of Certificate on the policy. Those not providing a Certificate of Insurance will not be allowed to occupy a slip or trailer site until such a certificate is provided. **** It is the slip holder's responsibility to maintain current insurance. If insurance lapses, your boat will be towed at your expense. ****
25. No permanent slip assignment will be permitted after April 3, 1992 allowing a boat to occupy a slip where the boat, bow pulpit to stern end of the swim plat form protrudes beyond the outer most piling of the slip.
A boat may be assigned to a slip against this rule only on a temporary basis and may only be done so after slip assignment. Any boat given this temporary assignment, to an incorrect size slip, must be moved within seven (7) days, when a correct size slip becomes available.
If a member purchases a boat, after slip assignment day that requires a larger slip than the member currently holds the member is required to notify, in writing, the Board of Governors, prior to the arrival of the new vessel. If a slip of the correct size is available, the owner will be required to put the new vessel in the temporary slip of the correct size on a temporary basis. If no slip of the correct size is available, the owner will be permitted to keep the boat in his slip of the incorrect size until a correct temporary slip becomes available, where upon the boat must be moved from the permanent slip of the incorrect size to the correct size temporary slip.
