It's always a little sad for me to see October roll around. It's usually the month I put my boat away for the winter. That's okay; it won't be long until we start to count down the days until slip assignment and the beginning of a new boating season. September was full of great events. I particularly enjoyed Fleet Review and the dinner / roast. Everyone was relatively nice to me. They also took the return fire in stride. It made my day when the First Lady made it to the roast after an unusually long visit to the hospital for her outpatient care.

Speaking of Jay, let me update you in case you're not keeping up with her status on the website at <http://www.caringbridge.org/visit/jayschlueter>. The August bone marrow transplant was unsuccessful but attempt number two was on September 27. The first time was disappointing but not totally unexpected since the success rate is only about 50%. However, a second attempt has a much higher chance of working as intended. We probably won't know for sure until the second or third week of October.

If you missed the membership meeting then perhaps you're not aware of the nominees for next year's offices. The list is posted elsewhere in this Burgee. Thanks to P/C Bob Raber and his committee for their energy to interview, vet, and nominate the slate for 2012. And thanks to all who volunteered to serve. Remember, although fall is here there's still plenty to do around the club. You should plan on attending some events or just drop by now and then. A nice little crowd always shows up on Sunday's for football games. You're welcome even if you aren't a big fan.

Commodore Gary

Another busy month has come and gone. The Crab Feast once again was packed. Crabs were great and there was plenty of food. When you see PC Tom Dice around the club be sure to thank him for his dedication to this event every year.

The weather sure did tease us on the morning of the Fleet Review but thankfully it cleared in time to take the boats out. Dinner had rave reviews and Commodore Gary was roasted and toasted! BUT the BEST part of the evening was seeing First Lady Jay walk into the ballroom. It was great to see her having such a good time and laughing with all of us as we listened to stories about the

Commodore. Wende and I wish her a speedy recovery from this last procedure and hope to see her again soon.

This month Wende and I start attending the balls once again but we will still try to get in as many Friday evenings and Saturday mornings as possible before it gets too cold. Speaking of Fridays – I'm glad the wine tasting dinner was moved to Friday this year. Now the Officers will be able to attend.

Now one last reminder – If you don't have your costume ready you better start working on one. You do not want to miss Halloween at BRYC! Our members get very creative and you never know what character or creature will show up.

Watch out for the BRYC resident ghost, after all this is the season of ghosts and goblins and ghouls. BOO!

VC Ken Peddicord

Fall has officially arrived. However, weather permitting the Bay is beautiful this time of year with a lot less boat traffic. So, enjoy before the winter is upon us. Now is the time to make plans for in water winter storage. Remember activities at the Club do not end and it is very convenient having your boat available.

On behalf of the pool chairman, Captain PJ Longo and his staff and volunteers, we would like to thank the Club for another great season.

We had a very busy September at BRYC. I would really like to thank Karissa Otte for the great job she did hosting our 1st Duck Regatta. I heard nothing but positive comments about the event and all are looking forward to having it repeated again next year. Karissa has done a fantastic job bringing fresh creative ideas to our Jr. Fleet this year.

Thanks —

We had a Club Cleanup September 17th. I have to say, that I have not seen the grounds, piers, pool and deck area as well manicured as they have been this year. I truly have to thank P/C Bill Corun and his troupe of volunteers. They have outdone themselves this year. The next and final Club Cleanup of 2011 will be November 19th. Please watch for the sign up sheet. This is when BRYC winterizes for the season. Get those work hours completed.

Fleet Registrar, P/C Tom Dice has informed me that there are still quite a few boating members who have not updated their insurance. This includes slip holders (summer & winter) and boats on trailers on the hill. Before you can make use of Winter Storage, he must have your insurance verification.

Tom and I will be seeing you around the Club !!!

Wow, October is here already. The boating season is moving on and our friends at Amtrak have opened the bridge for the last time. I hope everyone has had a chance to get out for one last boat ride.

Thanks to everyone one who came out and support Commodore Gary for the Fleet Review and Commodore's Roast.

The weather cooperated, the boats lined up well, the prime rib was excellent and "tributes" well presented. It was a good day and night all around. For

more fun, off the water, attend the

upcoming wine tasting, the small kid and big kid Halloween parties and may we have many more sunsets like the one below.

See you at the club.

F/C Jim Cowie

I have finally gotten into the full swing of College. Midterms are almost upon me and in addition to my classes, I've joined several societies, too. I pledged Alpha Omicron Pi and am getting to know all of my sisters. I have also joined the fencing team and earned myself a few bruises to go with that. I'm also a member of the Society of Physics Students as well as the treasurer in the school's chapter for the Association of Women in Mathematics. Along with my all my classes, I'll be able to play hard after I work hard. Halloween, at least, should be very interesting at college.

If you see me around the club, say hi! I'll be the one with the tiara.

I want to send a huge thank you to Michelle and all the ladies of the LAX who have helped out this month. Jim and I planned to be in our new home by now, not to have it flood and have to find another home. As I write this we are in our sixth “home” in the past days! I am very tired of moving and we hope to be in our new new home by the middle of the month. If not for the help and support of everyone at the club who has pitched in, called, texted etc.

we would not still be smiling and laughing about our adventure. BRYC is the best on the bay and I am honored to be part of the family.

October 29th at 1:00pm is our Annual Children’s Halloween Party; Thanks to Julie-Ann Shannon for chairing this event again this year; Moms and Dads bring the kids out for this event.

Julie-Ann has some wonderful activities planned for the children. There will be a sign up sheet on the bulletin board so we can get a rough estimate on who will be attending, if you are around that day you can always just bring the children to the event.

Just a reminder we are still accepting applications for young ladies to run for Princess, please see application for Rules. Any questions please contact myself or Michelle Hawley. Please note the Princess Pageant will be held on Friday November 18th, immediately after the Installation of Officers, this went over well last year and we are going to continue with this format. The support the Princess Emily received last year was outstanding. Please come out and support the officers and future princess this evening. As in the past for Installation we are asking all members to bring an appetizer to share.

I look forward to seeing everyone around the club soon:)

XOXO

Kim

YEP! It's that time of year again; time to start thinking about your Holiday Greeting for the Burgee.

It's never too early to send it in and get one more of your holiday tasks crossed off your "to do" list. There is an ad form in this edition of the Burgee, or you can email it to me at speedbirdfa@gmail.com. Please write "Holiday Ad" on the subject line.

Also, as you are cleaning and prepping your boat for winter, don't forget to advertise your items to buy, sell or trade in Pirate's Plunder. You may email that info to me also.

Hope to see y'all at the club.

My, oh my, how time flies when you are having fun! October is here already, and I had such a good time in September that I can't believe it's gone.

First, there was the Labor Day cruise to Chesapeake Yacht Club. It seems the Bush River folks were really enjoying themselves at that beautiful club. I sure heard a lot of laughter. All I can say is DYAC!

It seems that Sandy Gill has created a magic act for BRYC that she introduced at the Crab Feast. Sandy locked her car keys in the trunk of her car and made them re-appear on the Sarver's boat with Sue. Sandy wanted to please the skeptics so she called AAA to come unlock the car to prove the keys were not in the front of the car. Sandy's show will be heading to Vegas very soon.

If you think that the BRYC members don't have interesting lives outside of the club, then think again. If you don't believe it just ask Kim about his date with a widow, George, and a dog named Hershey.

Also, can someone please tell Viv whether Holsteins celebrate Christmas or Hannukah?

There was a baby shower held in honor of the Piercy's new baby. It was supposed to be a surprise, but I guess the surprise was really on the ladies of BRYC as Kimmie came to the shower **ALREADY IN LABOR**. Leave it to Kimmie to turn the tables on everyone. Congrats on baby Carson Lee!

I can hardly wait to see what antics October brings. Remember, this bird's eye is always watching!

The Little Black Duck

P.S. The Little Black Duck can certainly use all the help he can get, so if you have an item that would be of interest to the Little Black Duck, please email the editor at speedbirdfa@gmail.com.

THANK YOU

I would like to personally thank everyone who volunteered their time and attended our annual Crab Feast. It was another successful event. I would like to give special recognition to Capt. Mike Scarborough and Capt. Bill Foy. Mike continually gives of his time to provide fantastic food at many of our events. Unless you have helped him, you have no idea of the time and effort put into these events. Also, if it wasn't for Bill's expertise in setting up and breaking down the hall, our events would never run as smoothly as they do. He is also the secret shopper for all of the events held at BRYC.
