

B.R.Y.C. presents  
The 3<sup>rd</sup> Annual

## Spring Fling BBQ & A Night at the Races!

Dear Member,

On April 17, 2010, you are cordially invited to participate in the 3<sup>rd</sup> Annual Spring Fling BBQ (4-6pm), followed by "A Night At The Races". If you enjoy having fun, then this event is for you! "A Night at the Races" is an audience-participation event where actual videotaped horseraces are shown to the audience to re-create the atmosphere of being at the race track. There will be 12 races with 10 horses per race and a Daily Double in the 6<sup>th</sup> and 7<sup>th</sup> race. There will be a program (see enclosed example) so you can see the names of the horses and a brief comment about each horse. The races come in a sealed DVD package and remain sealed until the time of the race, hereby ensuring that we, the organizers of the event, do not know the outcome of any of the races.

There will be fun money at the door that you can purchase to use to make wagers on the horses. You may bet on as many horses that you want in any race. Betting starts at \$2. Odds will be calculated at the close of the betting window for each race and will be announced before the race starts. If your horse wins, you will collect your winnings from the cashier in the form of fun money and when you are ready to cash out or at the end of the night you will be able to cash your fun money in for real cash!

If you would like to be an owner of a horse, you can do so for \$10.00. Your name will appear in the "Official Race Program" alongside your horses name and a brief description of your horse. If the horse that you own wins its' race, you win **\$60.00!** It's so much fun seeing the interesting names and descriptions that people come up with for their horses! We will also be giving prizes for the most creative entries. We are limited to 120 horses, so **ONLY** the first 120, submitted with payment, will qualify. If we receive more than that, we will notify you and you can either receive \$10.00 worth of funny money at the door or we will return your check. Remember there are 12 races with 10 horses per race (120 horses), so once we have received all the owners of the horses we will randomly pick from those 120 horses in order to make up the 12 races.

See the included program for *examples* of horse names and descriptions.

So, start thinking of those names! We encourage creativity!

The cost of admission to this event is \$15.00. This includes *both* the BBQ and A Night at the Races. Tickets for each event may also be purchased separately. Tickets may also be purchased at the door. The cost of admission includes food at the BBQ and during the races, draft beer, wine, soda and eligibility to bet on the races. All proceeds will go towards the equipment rental for the event and the rest to benefit our club. This is one event you don't want to miss! Thank you for your support. See ya at the track!

Please submit your registration form no later than March 28<sup>th</sup>. Space is limited.

Respectfully,

Lauren & DJ Doug
